

LSM SERIES

LED COMPATIBLE LUMINAIRES

HIGH PERFORMANCE INDUSTRIAL IP65 RATED

The LSM Series of IP65 Rated Linear fittings is manufactured using high quality UV stable polycarbonate materials, the modular design delivers flexible power consumption options dependent on final RLT Tube selection prior to installation.

Developed to replace inefficient linear fluorescent technology, the new LSM Series luminaire range has been designed to be used in conjunction with Syntech's standard linear, or microwave tube range. The broad range of tube wattage options delivers significant energy savings with the ongoing flexibility to reconfigure power and light output values as required.

KEY TECHNICAL FEATURES

- Available in 2 Foot, 4 Foot and 5 Foot lengths
- Single and Double Tube configurations available for all lengths

ORDERING INFORMATION

2 FOOT LUMINAIRES

Part Code:	Description:
SYN-CL-LSM-2FT-1ST	LSM Series Linear LED Luminaire 2 Foot (600mm) Single Tube Configuration (Insert 9W RLT Tube - Tubes not included)
SYN-CL-LSM-2FT-2ST	LSM Series Linear LED Luminaire 2 Foot (600mm) Double Tube Configuration (Insert 9W RLT Tubes - Tubes not included)
SYN-CL-LSM-2FT-1EM	LSM Series Linear LED 2 Foot (600mm) Single Tube Emergency Luminaire (includes standby power pack/inverter. Insert 7w RLT Tube - Tubes not included)
SYN-CL-LSM-2FT-2EM	LSM Series Linear LED 2 Foot (600mm) Double Tube Emergency Luminaire (includes standby power pack/inverter. Insert 7w RLT Tube - Tubes not included)

4 FOOT LUMINAIRES

Part Code:	Description:
SYN-CL-LSM-4FT-1ST	LSM Series Linear LED Luminaire 4 Foot (1200mm) Single Tube Configuration (Insert 18W RLT Tube - Tubes not included)
SYN-CL-LSM-4FT-2ST	LSM Series Linear LED Luminaire 4 Foot (1200mm) Double Tube Configuration (Insert 18W RLT Tube - Tubes not included)
SYN-CL-LSM-4ST-1EM	LSM Series Linear LED 4 Foot (1200mm) Single Tube Emergency Luminaire (includes standby power pack/inverter. Insert 12w RLT Tube - Tubes not included)
SYN-CL-LSM-4ST-2EM	LSM Series Linear LED 4 Foot (1200mm) Double Tube Emergency Luminaire (includes standby power pack/inverter. Insert 12w RLT Tube - Tubes not included)

5 FOOT LUMINAIRES

Part Code;	Description:
SYN-CL-LSM-5FT-1ST	LSM Series Linear LED Luminaire 5 Foot (1500mm) Single Tube Configuration
SYN-CL-LSM-5FT-2ST	LSM Series Linear LED Luminaire 5 Foot (1500mm) Double Tube Configuration
