## Advanced LED Lighting

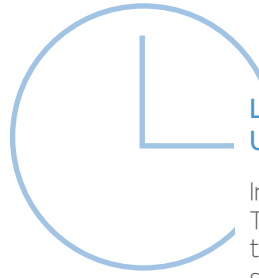

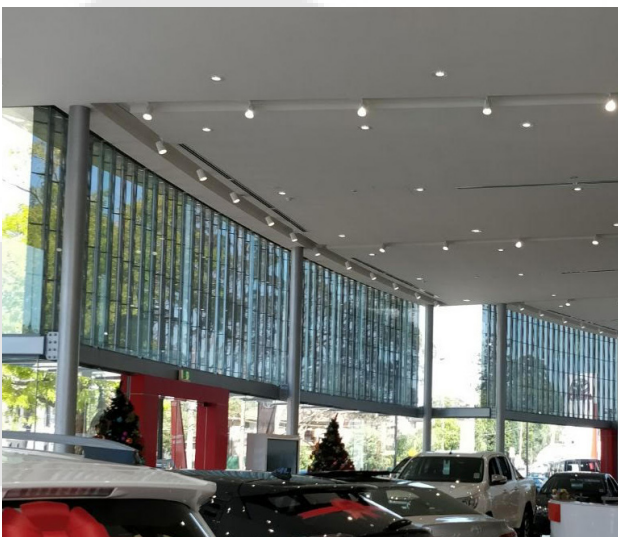

---

Trident-Halo Series 5-year extended warranty.  
Trident-Halo extended product replacement warranty requires online registration.  
Visit [www.syntechinternational.com.au/warranty](http://www.syntechinternational.com.au/warranty) to register your product.

Trident-Halo CCT incorporates an integrated solid-state LED light engine and driver.

The integrated LED Driver is fully dimmable and CCT Adjustable to deliver optimal colour tone and light intensity.

### Low Glare, High Flexibility Uniform Light Distribution

Incorporating a “Low Glare” frosted lens, the Trident-Halo CCT delivers uniform light value throughout the application area. The colour selection switch mounted on the rear of the luminaire allows for greater flexibility in meeting client needs.

### Superior Aesthetics

The Trident-Halo CCT Series is a low-profile downlight that blends into any environment whilst delivering one of the lowest energy footprints on the market.

### Ultra-long life

The Trident-Halo CCT incorporates advanced SMD LED technology with a lifetime performance rating of 50,000 hours.

Trident-Halo CCT is backed by our 5-year commercial product replacement warranty for complete assurance of performance reliability.

### TRIDENT-HALO CCT SERIES

At Syntech, we believe that a manufacturer's warranty is your assurance of quality. This is why the Trident-Halo CCT Series is supported by a full five-year product replacement warranty.

All Syntech products comply to the latest AS/NZS Lighting Standards.
